GENERAL PRACTICAL CONSTRUCTION AND CONTRACTING CO.

ABOUT US

General Practical Construction and Contracting Company (GPCCC) is a Saudi Arabia-based contracting company established in 2022 to meet the growing demands of the construction, industrial, and infrastructure sectors. We deliver comprehensive solutions through our expertise in civil construction, building renovation, general contracting, maintenance, electrical and plumbing works, welding and fabrication, manpower supply, equipment rental, and technical support services.

Our experienced management team, skilled workforce, and modern equipment enable us to execute projects efficiently while maintaining high standards of quality, safety, and reliability. We are committed to completing projects within agreed schedules, meeting client requirements, and building long-term partnerships through professionalism and transparent business practices.

With a strong focus on continuous improvement, operational excellence, and customer satisfaction, GPCCC supports industrial facilities, infrastructure developments, and commercial projects across the Kingdom of Saudi Arabia. Our commitment to quality management, health, safety, and environmental responsibility drives us to deliver dependable, cost-effective solutions that contribute to our clients' success and the Kingdom's ongoing development.

MESSAGE FROM CEO

At General Practical Construction and Contracting Co. (G.P.C.C.C.), we are committed to delivering excellence in industrial contracting through technical expertise, quality workmanship, uncompromising safety standards, and timely project execution.

Our focus is to support the Kingdom's industrial sector by providing reliable, efficient, and cost-effective solutions in industrial construction, plant maintenance, project support, and specialized contracting services. We believe that operational excellence, innovation, and a skilled workforce are the foundations of every successful project.

We strive to build long-term partnerships with our clients through integrity, professionalism, and a strong commitment to quality, safety, and customer satisfaction. As Saudi Arabia advances toward Vision 2030, we remain dedicated to contributing to the Kingdom's industrial growth, infrastructure development, and sustainable future.

Kumail Alli Abdullah Al Arajnah
CEO
General Practical Construction and Contracting Co. (G.P.C.C.C.)

VISION, MISSION & VALUES

Our Vision

To become one of the leading construction and contracting companies in the Kingdom of Saudi Arabia, recognized for excellence, innovation, quality, and safety. We aspire to deliver sustainable and reliable solutions that support industrial development, build lasting partnerships, and contribute to the Kingdom's growth and infrastructure advancement.

Our Mission

To provide high-quality construction, contracting, maintenance, fabrication, manpower, and industrial support services through skilled professionals, modern techniques, and efficient project management. We are committed to maintaining the highest standards of safety, delivering projects on time, meeting client expectations, and building long-term relationships based on trust, integrity, and performance.

Our Values

- **Integrity & Trust:** Act with honesty, transparency, and accountability.
- **Quality & Excellence**: Deliver reliable services with high standards.
- **Health, Safety & Environment:** Protect people and the environment.
- **Customer Satisfaction:** Exceed client expectations with dependable solutions.
- **Professionalism & Teamwork:** Promote collaboration and technical expertise.
- **Timely Delivery:** Complete projects within agreed schedules.
- **Continuous Improvement:** Embrace innovation and enhance performance.

INDUSTRIES WE SERVE

General Practical Construction Contracting Company (GPCCC) delivers reliable construction, maintenance, and technical support solutions to diverse industries across Saudi Arabia. With experienced professionals, skilled manpower, and specialized equipment, we support projects with a strong commitment to quality, safety, and timely execution.

Our key industries include:

- Oil & Gas: Industrial construction, maintenance, and shutdown support.
- Petrochemical: Plant maintenance, fabrication, and installation services.
- Power & Energy: Electrical works, substation construction, and infrastructure support.
- Industrial Manufacturing: Mechanical, civil, welding, and fabrication solutions.
- Construction & Infrastructure: Commercial and residential buildings, earthworks, and civil construction.
- Water & Wastewater: Pipeline installation, trenching, and related infrastructure works.
- Telecommunications: Cable trenching, electrical works, and technical support.
- Commercial Facilities: Building renovation, plumbing, electrical, and facility maintenance.

WHY CHOOSE US

At General Practical Construction and Contracting Company (GPCCC), we are committed to delivering reliable, high-quality construction and industrial solutions across Saudi Arabia. Our professional approach, skilled workforce, and dedication to customer satisfaction make us a trusted partner for diverse project requirements.

- Experienced Professionals: Skilled engineers, technicians, and project teams.
- Comprehensive Services: Construction, maintenance, manpower supply, equipment rental, and fabrication.
- Quality Commitment: Focus on quality standards, reliability, and continuous improvement.
- Safety First: Strong emphasis on workplace safety, employee training, and environmental responsibility.
- Timely Project Delivery: Effective planning and coordination to meet project schedules.
- Reliable Resources: Qualified manpower, specialized equipment, and technical capabilities.
- Customer Satisfaction: Flexible solutions tailored to client requirements.
- Trusted Partnerships: Commitment to integrity, transparency, and long-term business relationships.
-

GPCCC strives to exceed expectations through professionalism, efficiency, and dependable service.

QUALITY POLICY

General Practical Construction and Contracting Co. (GPCCC) is committed to delivering high-quality, reliable, and cost-effective construction, contracting, maintenance, fabrication, and technical support services. We strive to meet customer requirements, comply with applicable standards, and continuously improve our performance through effective quality management.

Our commitments include:

- Customer Satisfaction: Meet and exceed customer expectations through reliable services.
- Quality Standards: Maintain consistent quality across all projects and operations.
- Timely Delivery: Complete projects within agreed schedules and specifications.
- Employee Competence: Ensure our workforce receives appropriate training and technical guidance.
- Continuous Improvement: Regularly evaluate processes to enhance efficiency, quality, and overall performance.

ISO 9001 14001 45001

HEALTH, SAFETY & ENVIRONMENT (HSE)

GPCCC is committed to protecting the health and safety of employees, clients, contractors, and the public while minimizing the environmental impact of construction and industrial activities. We promote a safe working culture through proper planning, risk prevention, employee training, and responsible environmental practices across all project sites.

Our commitments include:

- Workplace Safety: Identify hazards and implement preventive measures to reduce workplace risks.
- Personal Protection: Ensure appropriate personal protective equipment (PPE) and safe working practices.
- Training & Awareness: Provide regular safety training and promote employee responsibility.
- Environmental Protection: Ensure proper waste disposal, recycling, and pollution prevention.
- Legal Compliance: Follow applicable HSE regulations and continuously improve safety and environmental performance.

GENERAL CONTRACTING

General Practical Construction Contracting Company (GPCCC) provides comprehensive general contracting solutions for industrial, commercial, and infrastructure projects across Saudi Arabia. With experienced professionals, skilled manpower, and a strong commitment to quality and safety, we deliver reliable construction and maintenance services tailored to client requirements. Our expertise covers civil, mechanical, electrical, and building works, ensuring efficient project execution and timely completion.

Our General Contracting Services Include:

- Industrial and commercial construction works
- Civil construction and infrastructure development
- Building renovation and refurbishment
- Electrical and plumbing installations
- Cable and pipeline trench construction
- Operation, maintenance, and repair services
- Project supervision and technical support

PROJECT SUPPORT

General Practical Construction and Contracting Co. (GPCCC) provides reliable project support services to meet the diverse requirements of industrial, construction, and infrastructure projects across Saudi Arabia. Our experienced professionals, skilled workforce, and equipment resources ensure efficient site operations, quality workmanship, and timely project completion. We work closely with clients and main contractors to deliver flexible, cost-effective solutions while maintaining high standards of safety and performance.

Our Project Support Services Include:

- Site Support: On-site coordination and operational assistance.
- Technical Support: Engineering and technical assistance for project execution.
- Manpower Support: Skilled and semi-skilled workforce deployment.
- Equipment Support: Supply and mobilization of required machinery.
- Project Coordination: Scheduling, resource management, and progress monitoring.
- Safety & Quality: Compliance with project safety and quality requirements.

MANPOWER SUPPLY

General Practical Construction Contracting Company (GPCCC) provides reliable manpower supply solutions to support construction, industrial, mechanical, electrical, and maintenance projects across Saudi Arabia. We supply qualified, skilled, and semi-skilled personnel to meet diverse project requirements, ensuring productivity, quality, and timely execution.

Our Manpower Supply Categories Include:

- Engineering & Supervision: Civil Engineers, Mechanical Engineers, Project Managers, Site Supervisors, and Foremen.
- Technical Personnel: Electricians, Pipe Fitters, Welders, Fabricators, and Telecom Technicians.
- Construction Workforce: Masons, Carpenters, Steel Fixers, Scaffolders, and Skilled Labourers.
- Support Staff: Helpers, Drivers, Safety Officers, and other project support personnel.

We prioritize workplace safety, technical competence, and dependable service to meet client expectations.

EQUIPMENT RENTAL

General Practical Construction and Contracting Co. (GPCCC) provides reliable equipment rental services to support construction, infrastructure, industrial, oil and gas, petrochemical, and power projects across Saudi Arabia. Our extensive fleet of heavy and light equipment is available for short-term and long-term rental, ensuring flexibility and operational efficiency.

Our Equipment Rental Fleet Includes:

- Lifting Equipment: Mobile cranes, crawler cranes, boom trucks, and manlifts.
- Earthmoving Equipment: Excavators, bulldozers, skid loaders, graders, and wheel loaders.
- Transportation Equipment: Dump trucks, trailers, and water tankers.
- Industrial Equipment: Forklifts, telehandlers, generators, welding machines, tower lights, and air compressors.

We prioritize equipment reliability, timely availability, and dependable technical support to meet project requirements safely and efficiently.

WELDING & FABRICATION WORK

General Practical Construction and Contracting Company (GPCCC) provides professional welding and fabrication services through its heavy-industry workshop in Jubail, Saudi Arabia. Equipped with modern machinery and supported by skilled fabricators and specialized welders, we deliver reliable fabrication solutions for industrial and construction projects.

Our Welding & Fabrication Capabilities:

- Automatic and semi-automatic welding
- Structural steel and metal fabrication
- Bending, folding, cutting and shearing
- CNC profile cutting and hydraulic pressing
- Punching and pipe-related fabrication support
- Sandblasting and painting services

We are committed to quality workmanship, safe working practices, timely project delivery and customer satisfaction.

CIVIL CONSTRUCTION & BUILDING RENOVATION

General Practical Construction Contracting Company (GPCCC) provides reliable civil construction and building renovation services across Saudi Arabia. With experienced professionals and a strong commitment to quality, safety, and timely project delivery, we undertake projects for industrial, commercial, and infrastructure sectors.

Our Services Include:

- Civil and infrastructure construction
- Commercial and residential building construction
- Earthworks and excavation
- Substation and industrial facility construction
- Building renovation, refurbishment, and maintenance
- Structural works and site development
- Construction of trenches for underground cables and pipelines

We focus on delivering durable, efficient, and cost-effective construction solutions tailored to client requirements.
